With 12 pre-set programs including interval, weight loss, target heart rate, fitness test, random, and warm-up/cool-down modes, the OMA E30 offers flexible workout options. Manual, pulse-based, and watt control programs allow for a fully customized fitness experience.

Featuring a 9 kg flywheel and a 17-inch stride length, the OMA E30 ensures a fluid, low-impact movement that feels natural while reducing stress on joints. Easily adjust workout intensity with 32 resistance levels, making it suitable for everything from light cardio sessions to more demanding endurance training.

Built-in hand pulse sensors and Bluetooth to Kinomap App, ZWIFT App and Any Run App.. Thoughtfully designed with a mobile phone holder, water bottle cage, and transport wheels, the OMA E30 prioritizes convenience and ease of use.
