PRODUCT DETAILS

Body-Solid Powerline Power Rack PPR200X

Fire up your workouts on one of the first inventions that allowed weightlifters to work out safely

and effectively, the Power Rack! Created several years ago, nearly every gym has one...so why not you? With the wide "walk-in" design, there is plenty of side-to-side movement for a variety of exercises such as squats, incline, decline, flat, and military presses, as well as shrugs and calf raises.

Complete with 18 positions, two heat-tempered lift-offs, and two sabre-style safety rods, so you can keep your exercise routine the way it should be: simple and effective.

Features:

- Wide 'walk-in' design
- 18 adjustment levels
- Upright pillars are a full 61 cm apart for free motion
- 104 cm wide knurled chinning bar
- Ø25 mm chin-up bar
- Heat tempered lift-offs and saber-style safety rods keep your workouts simple, safe and effective
