Everfit TFK-135 Slim Pearl White

This super compact Everfit treadmill comes in three colors pure bronze, pearl white and rose gold. The TFK-135 slim features a 1.5/2.5 HP DC motor. The treadmill can achieve a speed of 8.0km/hr with 0.1km/hr increment adjustment.

The running area is 40 x 112cm which gives you ample room to walk or run. The platform also features 4 elastomers which absorb the impact for a more comfortable workout. The TFK-135 features a unique automatic belt lubrication system.

This treadmill can be folded super thin which allows it to be stored under a bed. The handrails can easily be removed as well. This treadmill is also fully controlled by a remote control.

Key Features:

- Foldable
- Lightweight design
- Automatic belt lubrication system

Benefits Of The Product:

Treadmills allow you to stay fit, even without having to go outdoors. But more importantly, treadmill workouts can benefit your health, both mentally and physically!

This piece of cardio exercise equipment offers several health benefits. So, if you're just starting your health journey, treadmill workouts are an excellent option.

Treadmills provide outstanding cardiovascular exercises, which can significantly enhance your heart health. Thanks to their ability to maintain constant heart rates throughout the exercise. Treadmills are mostly used for cardio training. However, this fitness machine can be used for boosting your cardiovascular health. It's ideal for strengthening your muscles, including glutes, thighs, and calves.
