PRODUCT DETAILS

The **Body-Solid Incline Olympic Bench** is engineered for unmatched strength, style, and performance, featuring a heavy-duty 5 x 7.5 cm 11-gauge steel mainframe for exceptional stability and durability. Designed with three bar positions to support a variety of training styles, it offers superior comfort through durable, double-stitched upholstery that stands up to the most intense workouts. Finished with an electrostatically applied metallic silver powder coat for a sleek, professional look and long-lasting protection, this bench is ideal for both private gyms and commercial fitness centers—delivering the quality, reliability, and performance that define **Body-Solid** equipment.
