Toorx Bike BRX-3000

This BRX-3000 features an ergometer with induction magnetic braking system with 32-level electronic resistance adjuster. The flywheel system is 16kg in weight which provided ample resistance for anyone.

With a frame that is built to last, this bike can support a maximum user weight of 160kg. Additionally the seat is horizontally adjustable, with a large backrest for a comfortable training

position.

App Ready Built-in Bluetooth intelligent system which enables your bike to fully interact with the most motivating Apps specifically suitable for bike training. Includes iConsole+ App with maps and routes worldwide, fitness plan and workout record. Compatible with Kinomap (subscription not included)
