Free Assembly!

The **Toorx TRX 8500 EVO** is a premium treadmill designed for serious runners, fitness enthusiasts, and home gyms seeking durability, advanced features, and comfort. Built with commercial-grade quality, this treadmill delivers a smooth and powerful workout experience suitable for frequent use.

Key Features

- **Powerful Motor:** Equipped with a **5 HP continuous AC motor** (7 HP peak), the TRX 8500 EVO supports speeds from **0.8 to 24 km/h**, making it perfect for walking, jogging,

and high-intensity running.

- **Adjustable Incline:** The incline can be set up to **15%**, providing a challenging hill simulation and enhancing calorie burn.
- **Spacious Running Surface:** The **600 × 1640 mm belt** offers plenty of room for comfortable strides, accommodating users of all sizes.
- **High Weight Capacity:** Supports up to **160 kg**, ensuring stability and durability for heavier users.
- **Advanced Console & Training Programs:** Features a clear LED display and a variety of pre-set programs, including Manual, Hill, Fat Burn, Cardio, Strength, Fit Test, and HRC modes for personalized workouts.
- **Smart Features & App Ready:** Built-in Bluetooth allows integration with apps like Zwift and Kinomap for interactive training sessions.
