PRODUCT DETAILS

Free Standing Squat Rack

This free-standing squat rack is a practical addition to your home gym. Whether you are doing squats or bench press, this is perfect for anyone looking to get a gym-quality workout at home. The arms and racking arms are also adjustable which allows any user to perform any exercise comfortably.

Additionally, the squat rack features 2 weight horns at the bottom which make it easier to keep your gym free of clutter. The feet of the racks are specially designed with non-slip rubber caps which keep the rack firmly in place.

Maximum Load Weight	On J-Cups: 100 Kg, On Racking Arms: 150 Kg
