Multi 12 as a football table features:
 MDF playing field with melamine coating. The particular grass effect gives the impression of playing in a football ground.

 13mm diameter tube (1mm thickness) telescopic safety bars supplied as standard.

 Easier scoring thanks to the fully rotating goalkeeper and the particular player's scheme: 1 (goalkeeper), 3 (full backs), 4 (midfielders), 3 (forwards).

 A ball pocket behind each goal mouth allows easy ball retrieval with an incorporated score counter.

Multi 12 as a pool table features:
 MDF playing field coated with classic green cloth.

 Cushion rails with L-shaped profile rubber to provide accurate ball rebound.

 Basket pockets with manual ball rescuing.

Multi 12 in the other versions:
By superimposing the different panels to the table, Multi 12 can be transformed into the other game versions in a simple and quick way.

Other games with the relevant accessories: bowling, shuffleboard, backgammon, black jack, chess, draughts, dice with dice-box, cards.

Packing with strong polystyrene protections inside the carton, to prevent the table from suffering damages during the transport.
