PRODUCT DETAILS

The **Garlando All in 9** is the ultimate space-saving entertainment solution, offering **9 games in a single, versatile table**. Designed for family fun and casual play, it combines durability, stability, and ease of use in a compact footprint.

Enjoy foosball, pool, table tennis, speed-hockey, bowling, shuffleboard, chess, checkers, and backgammon with quick, simple game-surface changes. The 25 mm MDF structure with melamine coating ensures excellent stability, while the X-shaped legs provide strong support during intense matches. Telescopic 16 mm chrome-plated rods and high-quality accessories deliver a smooth and enjoyable playing experience across all game modes.

With a weight of 72 kg and solid construction, the All in 9 is suitable for both kids and adults, making it perfect for home game rooms, holiday homes, and recreational spaces.

9 games, 1 table — endless entertainment in the space of just one product.
