PRODUCT DETAILS

Made in Germany with 3 years warranty

Garlando Progress Indoor Table Tennis Blue

Foldable table, available with green or blue top, ideal for family and leisure use. The top is made in materials allowing a good quality of the ball rebound and has an official competition size.

Progress Indoor comes with devices for easier locking and displacing, such as the automatic compact locking system reducing the table size when folded and four fully rotating double wheels. Progress Indoor allows to lift one top for solo-training and is also suitable for use by disabled people.

The table complies with the Harmonized European Rules on Safety EN 14468-1 and EN 14468-2.

Key Features:

- Indoor tennis table, foldable with automatic compact locking, official competition size, ideal for family and leisure use. Available on choice with green top and black frame or blue top and silver frame.
- Frame and legs: 25mm diameter powder-varnished metal tube structure. Ball supports included.
- Top structure in 16mm thick high density chipboard panels with melamine coating, inalterable white lines and antiglare coating.
- Top structure in 16mm thick high density chipboard panels with melamine coating, inalterable white lines and antiglare coating.
- Four double wheels (125mm diameter), two of which rotating at 360°, enable easier displacing when the table is folded.
- Permanently mounted net and posts, no need to remove them before folding the table.
- Bats and balls supplied on request.
