PRODUCT DETAILS

- 3 years warranty parts and labour

OMA E30 Elliptical Crosstrainer – a high-performance fitness machine designed to elevate your cardio workouts with smooth motion, intelligent features, and user-focused design. Built for both beginners and experienced users, the OMA E30 combines advanced training programs with a durable structure to deliver a smarter, more efficient, and enjoyable workout experience from the comfort of your home.

The OMA E30 is equipped with a sleek LED display with dot matrix windows, providing clear and real-time feedback on time, speed, distance, calories, pulse, RPM, and watt output. Stay informed and motivated throughout every session.

With 12 pre-set programs including interval, weight loss, target heart rate, fitness test, random, and warm-up/cool-down modes, the OMA E30 offers flexible workout options. Manual, pulse-based, and watt control programs allow for a fully customized fitness experience.

Featuring a 9 kg flywheel and a 17-inch stride length, the OMA E30 ensures a fluid, low-impact movement that feels natural while reducing stress on joints. Easily adjust workout intensity with 32 resistance levels, making it suitable for everything from light cardio sessions to more demanding endurance training.

Built-in hand pulse sensors and Bluetooth to Kinomap App, ZWIFT App and Any Run App.. Thoughtfully designed with a mobile phone holder, water bottle cage, and transport wheels, the OMA E30 prioritizes convenience and ease of use.
