## PRODUCT DETAILS

- 3 years warranty parts and labour

**The OMA 6835EA Motorised Treadmill** is a premium fitness solution designed for users who want a powerful, stable, and feature-rich running experience at home or in light commercial environments. With its high-performance AC motor, spacious running surface, advanced console, and durable construction, it delivers comfort, performance, and reliability for every level of training.

At the core of the OMA 6835EA is a robust **4.0HP AC motor**, providing strong and consistent power for extended workout sessions. With a wide speed range of **1-22 km/h**, this treadmill is ideal for walking, jogging, and high-intensity running, making it suitable for all fitness levels.

The treadmill features a modern **7-window white LED dot-matrix display**, offering clear and

comprehensive workout feedback. Users can choose from **36 pre-set programs**, **3 user-defined programs**, and **1 manual mode**, allowing for a highly customizable and engaging training experience.

Equipped with **Bluetooth connectivity**, the treadmill supports connection to fitness apps (Kinomap App and ZWIFT App). Built-in **handle pulse sensors** and a **body fat measurement function** provide valuable insights into your health and fitness progress.

With its heavy-duty construction, advanced features, and professional-grade performance, the OMA 6835EA is the perfect choice for users looking for a reliable and powerful treadmill to support long-term fitness goals.
