Introducing the SMILE Treadmill: Your Ideal Fitness Companion for Home Workouts

Take your home fitness routine to the next level with the SMILE Treadmill, designed to provide a convenient and comfortable workout experience. Whether you enjoy walking or running, this treadmill offers a range of practical features to help you stay active and work towards your fitness goals from the comfort of your own home.

KEY FEATURES

Powerful Motor: Equipped with a DC motor rated at 1.5 HP with a peak power of 2.5 HP, the

SMILE Treadmill provides a versatile workout experience for everyday home fitness.

Adjustable Speed: Choose your preferred pace with a speed range of 1-14 km/h, making it suitable for different workout intensities, from walking to running.

LED Display and Workout Programs: The LED display keeps your workout information visible, while 36 preset programs and 1 manual program offer a variety of training options to suit your fitness routine.

Heart Rate Monitoring and Body Fat Function: Monitor your pulse during exercise and use the body fat function to support your fitness tracking.

Convenient Handlebar Controls: Easily start and stop your workout and adjust your speed using the controls conveniently positioned on the handlebar.

Adjustable Handlebar Position: Adjust the vertical position of the handlebar for added convenience during your workout.

Spacious Running Surface: The 122 x 45 cm running area provides room for comfortable movement during walking and running sessions.

Eight Shock Absorbers: The integrated cushioning system, featuring 8 shock absorbers, helps reduce impact during exercise for a more comfortable workout experience.

Space-Saving Design: With closed dimensions of 167 x 76.1 x 14 cm, the treadmill can be folded down for more convenient storage when not in use.

Easy Transportation: Built-in transport wheels make it easier to move the treadmill when needed.

iPad Holder: Keep your device within reach while exercising, allowing you to enjoy entertainment or follow your favourite workout content.

EXERCISE BENEFITS

Improve Cardiovascular Fitness: Regular walking and running can help improve cardiovascular endurance and support a more active lifestyle.

Support Weight Management: Adjust your speed and choose from the available workout programs to help maintain a consistent exercise routine.

Build Endurance: Progress at your own pace and gradually increase your workout intensity as your fitness improves.

Exercise at Home: Enjoy the convenience of exercising whenever it suits your schedule, without needing to travel to the gym.

The SMILE Treadmill is a practical choice for anyone looking to enjoy convenient home workouts with adjustable speeds, multiple training programs and useful fitness-monitoring features.
