Professional Multi Training Crossfit Flooring Black 2cm

This professional CrossFit flooring mat is manufactured from a heavy-duty, nearly indestructible rubber matting used regularly in the agricultural and shipping industries. Each 100cm by 100cm mat is 2cm thick for ample impact resistance and includes pre-trimmed edges for easily lining up multiple mats on a gym floor. A “pebble” style top surface and grooved bottom help provide a stable platform and grip with improved drainage.

Key Features:

- Resistant flooring, perfect for heavy disciplines capable of withstanding an intensive training session.
- It is shockproof certified
- Finishing: Medium grain
- Easy cleaning, compact and smooth surface
- Aspect: Rough anti-slip
- Colour: Black
