The Sole F63 Treadmill is the perfect addition to your home gym, offering a blend of convenience, performance, and versatility. Whether you're walking, jogging, or running, this treadmill caters to all fitness levels and helps you achieve your health and fitness goals. Upgraded F63 now includes an integrated tablet holder, providing you with the flexibility to use your smart devices to watch shows or follow workout routines. Plus, benefit from a USB port for

charging and Bluetooth Audio Speakers for seamless music listening.

The whisper-quiet motor, boasting 3.0 horsepower, delivers an exhilarating workout with a top speed of up to 19 km/h (with 0.1 increments.) The 16.5 cm white backlit LCD console display guides you through a diverse range of 10 programs, from heart-pounding HIIT to the steady workload of the Fat Burn and everything in between.

The integrated hand pulse heart rate sensors keep you connected to your progress or connect to compatible heart rate monitors. Empower your fitness journey with Bluetooth FTMS capabilities by connecting to the SOLE+ App, Zwift, Kinomap and many leading 3rd party fitness apps.

INTUITIVE CONTROLS

With 14 quick-touch buttons directly on the console, effortlessly adjust both speed and incline, allowing you to tailor your workout in real-time and maintain a seamless flow during your sessions.

FEATURE:

- Cooling Fans for Comfort: Stay cool during your workout with the built-in cooling fans, ensuring a comfortable exercise experience.
- User-Friendly Console: Track your progress on the clear console display, which shows key metrics such as speed, incline, time, distance, calories, pulse, and pace.
