Stock: In stock
Categories: Fitness, Fitness Accessories , Neck Pad, Neck Pad

PRODUCT DETAILS

Toorx Adjustable Squat Pad
This squat adjustable squat pad is made out durable NBR rubber. This squat pad increases comfort when the bar rests on the shoulders during squats. The pad is also suitable for all Olympic bars.

Key Features:
 NBR rubber

Benefits Of The Product:
Barbell pads help ease the pressure from a loaded barbell during your workout. The cushion will evenly distribute the weight across your upper back, neck and shoulders during squats or lunges.
