PRODUCT DETAILS

Toorx Bench Multi Fit with Leg Extension Model WBX-180MFIT

Elevate your home gym experience with the Toorx Bench Multi Fit with Leg Extension, model WBX-180MFIT. This premium weight bench is engineered for serious fitness enthusiasts who demand versatility, durability, and ergonomic design.

Key Features:

- Maximum Load Capacity: This bench boasts an impressive max structure weight capacity of 270 kg (user + loaded weights), ensuring it can handle intense workout sessions and

heavy lifting.

- Adjustable Saddle: Customize your workout with the saddle’s 6-level incline adjustment ranging from 0 to 28 degrees. The 55 mm thick saddle provides exceptional comfort and support during all exercises.
- Versatile Backrest: The backrest offers a 6-level adjustment from -27 to +76 degrees, allowing you to perform a wide range of exercises with the perfect angle to target different muscle groups effectively.
- Heavy-Duty Frame: Built to last, the bench features a reinforced-steel frame with square tubing (50x50x2 mm) and round tubing (ø50x2 mm). This robust construction ensures maximum stability and durability even during the most demanding workouts.
- Optimal Dimensions: With a setup size of 1577x675x470*/1167 mm, the bench is designed to fit perfectly in your home gym, offering ample space for a variety of exercises while maintaining a compact footprint.
- Enhanced Comfort: The 55 mm thick saddle and backrest are designed to provide superior comfort and support, reducing strain and allowing for longer, more effective workouts.

Whether you’re targeting your upper body, lower body, or core, the Toorx Bench Multi Fit with Leg Extension WBX-180MFIT is your ultimate fitness companion. Its robust construction, versatile adjustment options, and ergonomic design make it an ideal choice for both beginners and advanced users aiming to achieve their fitness goals. Upgrade your workout setup today with the Toorx WBX-180MFIT and experience the difference in quality and performance.
