PRODUCT DETAILS

The **TOORX WBX 220 MULTIFIT** is a versatile and sturdy multi-purpose weight bench designed for a wide range of strength-training exercises at home. Its adjustable seat and backrest allow you to find the ideal position for different exercises, while the included leg curl attachment provides additional options for lower-body training.

Built with a reinforced steel frame, the WBX 220 MULTIFIT supports a **maximum total load of 320 kg**, including the user and weights. The backrest can be adjusted through **7 positions**, from -25.5° up to 88° , while the seat offers **4 adjustment levels from 0° to 22°** , allowing you to perform both flat and incline exercises comfortably.

The bench is equipped with **60 mm thick padding** for improved comfort during training. Transport wheels and a convenient handle make it easy to move and store the bench when not in use.

The WBX 220 MULTIFIT also includes an adapter suitable for use with **cast-iron weight plates with a 50 mm hole**, giving you greater flexibility when setting up your workout.
