SKU: TT18303
29.00 €

Stock: In stock
Categories: Fitness, Gym Attachments, Weights & Attachments

PRODUCT DETAILS

Toorx Cable Attachment Double Hand
The double hand cable attachment can be attached to multiple cable machines such as a lat pull-down machine. Usually, this attachment is used for performing cable rows for targeting your lats. The handle is made out of metal and the grip features two rubber grips.

Key Features:
 Durable
 Loop for hooking to cable machines

Benefits Of The Product:
Gym attachments are very useful for performing multiple exercises and targeting your muscle groups. There are practically attachments for targeting all your muscle groups from angle cuffs, tricep ropes, tricep bars, lat pull-down, curl bars, rowing handles and much more.
