Toorx Elliptical ERX-400

This elliptical features a 16-level electronic resistance adjuster. The console features a multicolor backlight LCD display that displays your distance, time, calories, pulse, speed, RPM and watt. Additionally, the ERX-400 comes with 10 pre-set, 1 manual, watt, 4HRC and 5 user programs.

A built-in Bluetooth intelligent system enables your bike to fully interact with the

most motivating Apps specifically suitable for bike training, such as Kinomap.
