PRODUCT DETAILS

The Toorx ERX-90 Elliptical is designed to deliver smooth, effective full-body workouts from the comfort of your home. Featuring a magnetic braking system with 16 levels of electronic resistance adjustment, the ERX-90 allows you to easily customize workout intensity to suit every fitness level. Its 14 kg flywheel ensures fluid and quiet motion, while the sturdy frame supports users up to 120 kg.

The console is equipped with a blue backlit LCD display that clearly shows all key workout data, including speed, distance, calories, time, heart rate, recovery, RPM, and watts. The ERX-90 also includes 12 pre-set workout programs, manual mode, HRC (Heart Rate Control) training, and user-focused workout settings for varied and motivating sessions.
