Size L/XL, Size S/M

PRODUCT DETAILS

Grid Impact Technology: The Toorx Headguard features a state-of-the-art grid impact technology. The strategically placed grids on the headguard efficiently distribute impact forces,

reducing the risk of injury during high-impact sports and activities.

Premium Materials: Crafted from high-quality, durable materials, this headguard is built to withstand rigorous use. The outer shell is constructed from impact-resistant materials, while the interior is lined with moisture-wicking, breathable padding for maximum comfort.

Adjustable Fit: The Toorx Headguard offers a customizable fit to ensure it stays securely in place during action. The adjustable straps and closure system provide a snug and comfortable fit for various head sizes.

Ventilation and Moisture Management: Designed with athlete comfort in mind, this headguard incorporates ventilation channels and moisture-wicking padding to keep you cool and dry, even during intense workouts.

Multi-Sport Compatibility: Whether you're into martial arts, boxing, rugby, or any sport that involves head impacts, the Toorx Headguard is versatile and suitable for a wide range of activities.

Safety Certification: This headguard meets or exceeds industry safety standards and is designed to absorb and disperse impact forces, reducing the risk of head injuries.

Sleek Design: The Toorx Headguard combines functionality with style. It features a sleek and modern design that not only protects but also adds a touch of sophistication to your sports gear.
