PRODUCT DETAILS

TOORX SRX 55 MAG Indoor Cycle

– With 2 years warranty on parts and labour.

The TOORX SRX 55 MAG is a high-quality indoor cycling bike designed to deliver a smooth, comfortable and effective workout. Equipped with a magnetic braking system and a balanced 20 kg flywheel, it provides consistent and quiet pedalling, making it ideal for cardiovascular training and endurance workouts.

The bike features a belt drive transmission with a fixed pinion, ensuring efficient power transmission. The magnetic resistance system is complemented by a safety brake for quick flywheel locking.

For added comfort, the SRX 55 MAG comes with a two-colour saddle featuring vertical and micrometric horizontal adjustment, along with a vertically adjustable handlebar to suit different users.

Its LCD computer displays essential workout information, including speed, time, distance, calories, RPM and heart rate, allowing you to monitor your training progress.

Thanks to its APP READY 3.0 Bluetooth connectivity, the bike is compatible with Zwift and Kinomap training apps, providing a more interactive indoor cycling experience. It also features a built-in wireless heart rate receiver with Bluetooth support.

With its reinforced steel frame and maximum user weight capacity of 130 kg, the TOORX SRX 55 MAG is an excellent choice for anyone looking for a reliable and versatile indoor cycling bike for home use.
