PRODUCT DETAILS

Eco-Leather Material: Our Toorx Kicking Target is constructed from high-quality eco-leather, setting it apart from standard synthetic materials. This eco-conscious choice not only feels great to the touch but also reinforces our commitment to sustainability. You can train with confidence knowing that you're making an eco-friendly choice.

Black with White Edge: The striking black color of the target is accentuated by a crisp white edge, adding a touch of elegance to your training sessions. The combination of these colors ensures high visibility during your workouts, allowing you to focus on your technique with precision.

Extra Padded Forearm: Safety and comfort are paramount during intense training sessions. That's why the Toorx Kicking Target is equipped with an extra-padded forearm area. This feature not only protects the holder but also minimizes the risk of injury to the kicker. Train with

peace of mind, knowing that you have a durable and safe target at your disposal.

Versatile Training Tool: Whether you're practicing Taekwondo, Karate, Muay Thai, or any other martial art, this kicking target is designed to meet your needs. Its versatile design allows you to work on various kicking techniques, punches, and strikes, making it an indispensable tool for both beginners and seasoned martial artists.

Adjustable Straps: The Toorx Kicking Target is equipped with adjustable straps that provide a secure and comfortable fit for the holder. The straps are easy to adjust, ensuring that users of all sizes can use the target comfortably.

Durable and Long-Lasting: Crafted with durability in mind, this kicking target is built to withstand rigorous training sessions. The eco-leather material is not only environmentally friendly but also resistant to wear and tear, ensuring that it will be your trusted training companion for years to come.

Compact and Portable: Despite its robust build, this kicking target remains compact and portable. Take it to the gym, dojo, or even your home workout space with ease. Its lightweight design ensures you can carry it wherever you go, allowing you to maintain your training routine consistently.
