PRODUCT DETAILS

Toorx Leather Jump Rope With Wooden Handles

With 2 ergonomic wooden handles, this jump rope is ideal for muscle strengthening. The handles feature ball bearings in order to prevent the leather rope from twisting on itself.

Key Features:

- Turning handle on ball bearings
- Rope diameter 5.7mm
- Ergonomic handles

Benefits Of The Product:

Jump rope is a quick workout that improves your cardiorespiratory system. Jumping rope builds stronger bones and muscles, and improves your overall balance and coordination.
