PRODUCT DETAILS

Free Assembly!

The **Toorx FWX-7400** is a premium 2-in-1 lower-body machine that combines a **leg press** and **hack squat** in one compact, professional-grade unit. Built with a heavy-duty steel frame and smooth “Power Grade” bearing system, it offers exceptional stability and fluid movement for intense strength-training sessions.

With a **440 kg plate-load capacity**, adjustable backrest and footplate (5 positions), and reinforced ergonomic padding, the FWX-7400 is designed for users who demand versatility and high performance. Safety handles, resistance band pegs, non-slip feet, and integrated Olympic-plate storage make the machine practical and comfortable to use in any training environment.

Certified to **EN20957-1 / EN957-2 Class S**, this model is suitable for both home gyms and commercial facilities. The FWX-7400 delivers targeted, powerful leg training — perfect for building strength in the quadriceps, hamstrings, and glutes.
