PRODUCT DETAILS

Toorx Pads For Nordic Walking Poles

Walking poles are useful for long distance walking and expeditions. These nordic walking poles can be packed extremely small, which means that they will not take up much space in your trekking backpack.

These are continuously adjustable from 65 to 135cm to adjust for any user. The tungsten steel tip can be changed whenever needed. Baskets for snow and asphalt pads are also included.

Key Features:

- ☐ Adjustable height
- ☐ Different walking tips included
- ☐ Ergonomic handles

Benefits Of The Product:

Walking poles protect your knees from impact of walking especially downhill. Additionally, walking poles aid with balance and stability on uneven trails.
