PRODUCT DETAILS

TOORX ROWER CRAFT – Wooden Rowing Machine

– With 2 years warranty on parts and labour.

The TOORX ROWER CRAFT is an elegant and high-quality rowing machine featuring a natural ash wood frame, combining stylish design with excellent performance. Designed to provide an effective full-body workout, it is ideal for improving cardiovascular fitness, endurance and overall muscle strength.

Equipped with an innovative hydraulic resistance system designed to simulate the natural dynamics of rowing a boat on water, it delivers a realistic and smooth rowing experience.

The rowing seat features smooth ball-bearing rollers, ensuring comfortable and fluid movement

throughout your workout. Its ergonomic footrests with adjustable straps provide stability and support during training.

The LCD console displays essential workout information, including strokes, calories, time, time/500m, strokes per minute (SPM), distance and pulse. It also features Quick, Target Goals and Race programmes to help you customise your training sessions.

Thanks to its integrated Bluetooth system, the ROWER CRAFT is compatible with the Kinomap training app, allowing you to explore various virtual rowing routes and enjoy a more interactive workout experience.

With a maximum user weight capacity of 150 kg, the TOORX ROWER CRAFT combines premium materials, innovative technology and elegant design, making it an excellent choice for home fitness.
