PRODUCT DETAILS

TOORX ROWER CUP PRO Rowing Machine

– With 2 years warranty on parts and labour.

The TOORX ROWER CUP PRO is a compact and versatile rowing machine designed to provide an effective full-body workout in the comfort of your home. Ideal for improving cardiovascular fitness, endurance and muscle strength, it combines smooth performance with convenient space-saving functionality.

Equipped with a magnetic braking system with motorised resistance adjustment across 16 levels and a 5 kg flywheel, it allows you to easily adjust the intensity of your workout according to your fitness level and training goals.

The LCD console with blue backlight displays essential workout information, including time, distance, calories, strokes per minute, total strokes and heart rate. It also features 10 preset programmes, 4 HRC programmes and 5 user profiles, offering a variety of training options to suit different users.

Thanks to its integrated APP READY Bluetooth system, the ROWER CUP PRO is compatible with the Kinomap training app, allowing you to enjoy interactive rowing workouts and explore virtual training routes.

For added comfort, it features a rowing seat with ball-bearing rollers on an aluminium rail, ensuring smooth movement throughout your workout. The ergonomic footrests with adjustable length and securing straps provide stability and support during exercise.

The machine also includes an integrated wireless heart rate receiver, allowing you to monitor your heart rate during training with a compatible heart rate monitor.

With its practical vertical folding design, the TOORX ROWER CUP PRO can be easily stored after use, making it an excellent choice for home environments where space is limited.
