PRODUCT DETAILS

TOORX ROWER CUP Rowing Machine

– With 2 years warranty on parts and labour.

The TOORX ROWER CUP is a compact and space-saving rowing machine designed to provide an effective full-body workout in the comfort of your home. It helps improve cardiovascular fitness, endurance and muscle strength while offering a smooth and comfortable rowing experience.

Equipped with a magnetic braking system with 8 adjustable resistance levels and a 5 kg flywheel, it allows you to customise the intensity of your workout according to your fitness level and training goals.

The LCD console with blue backlight displays essential workout information, including time,

distance, calories, strokes per minute, total strokes and heart rate, allowing you to monitor your performance throughout your training session.

For added comfort, the ROWER CUP features a smooth-gliding rowing seat with ball-bearing rollers on an aluminium rail, along with ergonomic footrests with adjustable length and securing straps to ensure stability during exercise.

The machine also includes an integrated wireless heart rate receiver, allowing you to monitor your heart rate during workouts when used with a compatible chest strap.

Thanks to its space-saving design, the ROWER CUP can be folded into a vertical position after use, making it an ideal choice for home environments where space is limited.

With a maximum user weight capacity of 110 kg, the TOORX ROWER CUP is a practical and reliable choice for everyday home fitness training.
