These gloves are made out of suede and micro-mesh which make the gloves comfortable and breathable. Featuring also 2 pull tabs for quick removing of the gloves. Additionally, the velcro at the back provides a tight and adjustable fit.

Key Features:
 Suede and micro-mesh
 Pull tabs for quick wearing and removing

Benefits Of The Product:
Weight lifting gloves protect your fingers and hands from unwanted bruises and calluses. Additionally, lifting gloves provide grip which means that chalk in no longer needed. Training with gloves can relieve pressure that is placed on your hands while training.
