PRODUCT DETAILS

Toorx TFK-855-SLIM
Built with a sturdy frame this treadmill can support a maximum user weight of 120 kg. Moreover, the treadmill weighs only 71 kg. This allows users to transport the treadmill from one place to another easily. Additionally, the treadmill features transportation rollers and a compact folding design.

The console displays pulse, distance, incline, altitude, time, steps, pace, speed and calories. These metrics allow users to track and save their performance. The treadmill comes with 12 pre-set programs, 3 countdowns, 3 user, 3 HCR and a body tester program.

Featuring a 3/4 HP DC motor the TFK-855 can reach a maximum speed of 20km/h with 0.1km/h increments. Featuring also 12 levels of incline and multiple programs any user can workout with just a push of a button.
