TOORX TRICEP ROPE

SKU: TT17862
18.00 €

Stock: In stock
Categories: Fitness, Gym Attachments, Weights & Attachments

PRODUCT DETAILS

Toorx Tricep Rope
Similar to the single triceps rope this rope has two ends. This allows you to train both triceps at once and there fore use more weight. The rope is braided and made out of extremely durable material. The ends of the rope feature rubber caps for a more comfortable and secure grip. Additionally, the rope has a metal ring that can slide along for hooking to multiple cable machines.

Key Features:
 Durable
 Loop for hooking to cable machines

Benefits Of The Product:
Gym attachments are very useful for performing multiple exercises and targeting your muscle

groups. There are practically attachments for targeting all your muscle groups from angle cuffs, tricep ropes, tricep bars, lat pull-down, curl bars, rowing handles and much more.

These attachments, in turn, help you isolate specific muscle groups without overloading your central nervous system by doing more compound lifts.
