Vinyl coated kettlebell is made with quality material capable of guaranteeing maximum resistance and offering maximum safety during exercise.

This Toorx kettlebell is ideal for anyone looking to improve strength, coordination, responsiveness, endurance and even their cardiorespiratory system.

Key Features:
 Cast iron
 Vinyl coated

Benefits Of The Product:
Kettlebells are a great way for building lean muscle. These weights can be used in multiple ways for performing multiple exercises. Additionally, kettlebells are easy to store since they can be placed on the ground and out of the way.
