APP READY 2.0 - USB door for TRX APP GATE (optional). Updated Bluetooth intelligent system which enables your treadmill to fully interact with the most motivating Apps specifically suitable for treadmill training. Includes **iConsole+ Training App** with maps, routes, fitness plan and workout data. Compatible with **Kinomap fitness App** (subscription not included). The new TRX App Gate has a double function: besides a BT module to connect the treadmill with the compatible App, it also works like a receiver for Bluetooth chest straps.
